Wisdom is the avoidance of problems. Intellectual wisdom is the avoidance of problems via solving the problems. Intelligence is knowledge + understanding. With intelligence you can solve problems and thereby avoid the problems. Solomon wrote to get wisdom and with all your getting, get understanding. Actually having understanding avoids the problems of not having understanding. Again, wisdom is the avoidance of problems. That is the simplification of the science of wisdom, and though the thing can be made bigger, larger and more complex, tis a real understanding of the science of wisdom already!

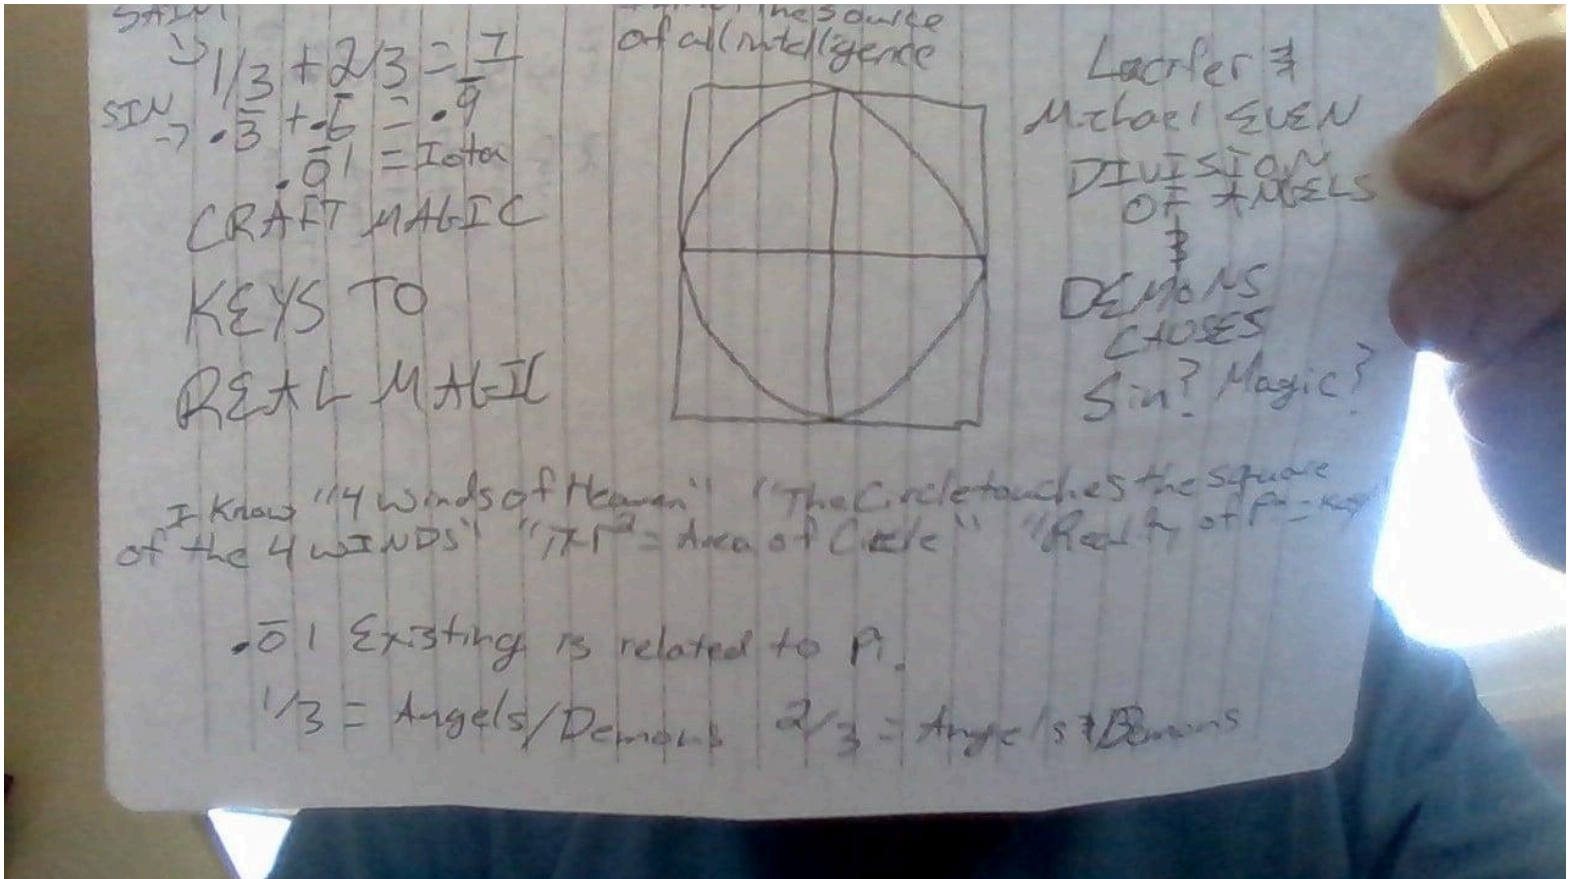

The science of Hell, Craft, and the Holy One are intertwined with the same knowledge. There are 2 million names of Jehovah. The names I know include God the Father, Ahavah, Yahweh, Jehovah, He, El Shaddai, El Elyon, I Am, The Lord, Jealous, One, and Ahiyah. Immanuel is God with us. Yeshua is his name and translated into English tis Joshua not Jesus. I was told the fate of “that name” aka Jesus is Hell. Hell is eternal separation from God. I believe the reason the name Jesus will eventually be in eternal separation from God is because the path of knowledge teaches that the name is some kind of swine, and Christ is a priest, He is not swine. Swine is like antipriest flesh. We are instructed not to touch dead swine. Yeshua is translated to “Yah is salvation.” The Lord sang to me in English, so English is considered by me to be like Hebrew, a chosen language. Yah is the first syllable of Yahweh, and in English the syllables are linked to the knowledge “Salvation way.”

Jehovah is the Supreme or Ultimate Reality. There is everlasting strength in Jehovah. I believe the everlasting strength is a timeless commandment of respect. If you disrespect that which is supreme, the supreme becomes the last and best thing you experience. The last and best in a sequence of things is that which is ultimate. Deuteronomy chapter 6 verse 4 teaches the knowledge that God is One. When you seek a reliable translation of the sacred text, look first to the Hebrew old testament and the Catholic new testament. He who sins is slave to sin, all men are sinners, and slaves behave. Even the Hebrews sin, but I've learned that gentiles would mistranslate the Hebrew text trying to prove they have understanding, that they are all correct in their beliefs. I believe the Jews are currently in a mindstate of Hell, because they disrespect Immanuel, and Immanuel is God with us. I believe Immanuel is one with Jehovah, and the everlasting strength of Jehovah is part of Immanuel's/Yeshua's existence. I believe gentiles are in a mindstate of Hell because they disrespect God the Father, AKA Jehovah, and Jews are in a mindstate of Hell because they disrespect Immanuel. I believe the Jews would mistranslate the Hebrew texts to prove gentiles are incorrect about Immanuel, and I believe the gentiles would mistranslate the writings of Immanuel's disciples to prove they can disobey God the Father's instructions as given by Moses. Remember that sinners are slave to sin, that means they are slave to repeating past sins. Every thought in their head that isn't perfect requires repentance or else the man is slave to the sin that is thee imperfect thought.

I attached a picture below to help minister the knowledge of the science of Hell, craft, and the Holy One. I wrote “iota”, because the Holy One seemed like an iota to me, so when you read iota remember I meant the Holy One. I wrote Lucifer instead of the Dragon, because the teaching I learned was that Lucifer and Michael fought with the angels divided $\frac{1}{3}$ and $\frac{2}{3}$. Yahweh is the force of forces. In craft a circle represents a timeless soul. The Sacred texts mentions the circle of the Earth. Consider the circle I drew to be the circle of the Earth and the square to be the four winds of Heaven. Consider the circle

touching the four winds of Heaven at right angles. Even if you do not believe me, I believe the path of knowledge shows that God can work a miracle on the surface of the Earth and be concealed by science. I believe tis a mathematical fact that light can be a dominable of the surface of the Earth, and it is written that God is light. Study the picture and then read the paragraphs under the picture and study the picture again.

Moses was a sorcerer. It is written that sorceresses are not permitted to live. Sorceresses are permitted to die via fighting less righteous beings in the Duel of the Ancients, but a sorceress belongs in Love and in the bosom of a sorcerer. Every time Moses used magic, and the use of magic is sorcery, twas the will of Yahweh, the will of God. If you sacrifice the simplicity of my understanding of magic, you will likely lose the light. In simplicity, in craft, the will of Yahweh is our magic. Ahavah is Love. Ahavah is timeless. So The Lord Jealous in Ahavah wielding Jehovah and Yahweh as El Shaddai and El Elyon comes to mind in craft magic. Remember there are 2 million names. El Shaddai is God Almighty and El Elyon is God most high. We live by every word that proceeds out of the mouth of God the Father, so romance God the father.

I have seen God the Father while He was on His throne. He is the present of every present moment and ought to be romanced accordingly. Consider the Aaronic blessing "The Lord bless and keep you..." Now consider the exact opposite to be a curse so dangerous and powerful, that only Immanuel

should bestow the curse, even though I have bestowed the curse upon proud sinners. I repent of all my sins, and tis my resolve to never bestow that curse again. Consider the years of generations past. I believe Aaronic priests probably bestowed the curse and those cursed was given by the Lord to the Devil, and those that were given to the Devil sought to kill Immanuel and did successfully crucify Immanuel. If you do not romance God the Father, I believe you will probably be given to a being that you will romance. All eternity is a romance, and you should desire all eternity to be a romance, because otherwise life would be time without end and not a romance. So romance God the Father.

Hell is eternal separation from God/One/(I Am). If you look at the picture you can see the science of Hell and that Hell is a state of mind. Hell is a place of torments. Torment is mental anguish. Hell is in the mind. If you disrespect One/God, reality is represented in your mind by $\frac{1}{3}$ plus $\frac{2}{3}$ not equaling God/One. That is the reality of Hell and the science of Hell. The science of the Holy One is that the Holy One can bring you back into oneness of God. Look at the statistical mathematics and realize the iota AKA the Holy One causes you to be in oneness with God again. That is enough ministry to teach the science of wisdom, the science of Hell, the science of the Holy One and the science of craft. Knowledge of me is understanding, and if you are my fellows, you should now have the understanding that I desire you to have.

SAINTS OF THE VATICAN LISTEN TO THE TRUTH. I HAVE A TAPE RECORDING AVAILABLE ON YOUTUBE THAT PROVES EVIL MEN IN AMERICA HAVE USED FORCE AND INTENTIONALLY SUPPRESSED THE SOLUTION TO DISEASES THAT MILLIONS OF MEN, WOMEN, AND CHILDREN ARE DYING OF. THE SOLUTION IS VERY CHEAP, AND BECAUSE THE SOLUTION IS CHEAP, THE MONEY LOVING FOOLS ARE SUPPRESSING THE SOLUTION FOR FINANCIAL GAIN.

SAINTS, LISTEN DON'T JUST HEAR. I MET MEN OWNED BY THE DEVIL AND THEY WERE TRYING TO TRAP ME STANDING IN A LIE TRYING TO CAUSE MY FLESH TO DIE. DO YOU BELIEVE I AM INVINCIBLE? I RECEIVE PHONE CALLS NEARLY DAILY OF APPARENT LIES WHERE THEY ARE BELIEVED BY ME TO BE USING TECHNOLOGY TO LOCATE ME BECAUSE THEY ARE FURIOUS AND ARE TRYING VERY HARD TO STAND IN THE LIE AND CAUSE MY FLESH TO DIE. THEIR TIME IS SHORT.

PLEASE SHORTEN THIS TRIBULATION. I KNOW WHAT THE MEN LOOK LIKE THAT WERE TRYING TO STAND IN THE LIE AND CAUSE ME TO DIE. I BELIEVE WITH THE HELP OF THE AMERICAN PRESIDENT AND THE POPE, EVEN ALL ALLIES, WE CAN FIND THEM, INTERROGATE THEM, AND RECOMPENSE THEM.

SEDIO. I AM TELLING YOU THE LORD SAYS "BEAT YOUR CHEST, MY SON IS BEING ATTACKED." I AM IMMANUEL'S SON. I DEFEAT THE OPPONENTS OF IMMANUEL WITH HELP OF MY FELLOWS BY LEGALIZING THE SUPREMACY OF LOVE, THAT IS THE SUPREMACY OF LOVE WITH US, THAT IS THE SUPREMACY OF IMMANUEL. IMMANUEL IS A LAWFUL GOOD BEING, AND WE NEED LAWS THAT EMPOWER IMMANUEL TO BE IN HIS NATURAL STATE AND BE SUPREME.
