AND HERE IS ANOTHER LINK LIKE IT

https://youtube.com/shorts/-sFGLew7w9g?si=MXL0cLbALIF_hd8v

IF THOSE LINKS FAIL, SURELY YOU CAN SEARCH "PSYCHEDELIC VIDEOS) ON YOUTUBE AND CONSIDER 8 OPTIONS FOR INSPIRATION.

MY INSTRUCTION IS EVENTUALLY CONCEAL VIA AN HYPNOTIC PATTERN OF THE EYES OF THE UCHIHA CLAN OF NARUTO(A FAMOUS ANIME)

IN FACT THE EYES MUST EXIST ONLY 1-2 TIMES NEVER LESS THAN ONCE AND NEVER MORE THAN TWICE DURING EACH GIVEN VIDEO.

WHEN YOU WATCH THE VIDEO BELOW, NOTICE HOW IT LOOKS LIKE A HUMAN THEN A ROCK LIKE HEAD, THEN A MUSHROOM, CAUSE THAT SAME EFFECT OF EVERY NOUN AND SHOW ONE OF THE THREE IF NOT ALL THREE OF THE BLOOD WRITTEN CRAFTS OF MY LIFE. (CC) = A MUSTERED MYSTERY. c = THE SPEED OF LIGHT/LIFESHOWER00Fo0F O.

This request outlines a complex and specific vision for a series of animated music videos. Here's a breakdown of the instructions:

****Visual Style:****

* ****Psychedelic Experience:**** The videos should emulate the visual style of the provided YouTube links (or similar psychedelic videos), creating a disorienting and hallucinatory atmosphere.

* ****Symbolism:**** Specific symbols are to be incorporated, with their meanings tied to various nouns. (Basically the Only Noun not allowed to be part of the videos are any nouns that have forces that are connected to the Circle and does not penetrate the circle, because the circle is a timeless soul, and a real conspiracy equates to all the details that will never be known because of the timeless soul conspirator Code named Judas Iscariot and his kind themself.)(Sedio, the truth of those nouns are so dark, that even I would be disturbed if I was born into their conspiracy)(The goal of the project is to cause my fellows to enjoy all the party supplies of God, and gain the relative knowledge of the tracks while their minds do something like meld or even melt into the track via the magical effect of the crafts of my blood by act of God with us Jesus Christ)

* ****Noun Transformation:**** Nouns should visually morph into other objects, similar to the human-to-rock-to-mushroom effect described in the third video link.

* **Uchiha Clan Eyes:** The eyes of the Uchiha clan from Naruto must appear briefly (1-2 times) in each video, creating a hypnotic or not and at least 13 other options as an effect.

* **Flashing Picture:** A specific picture should flash (Darkly so seizures are not reality) on screen 2-5 times per video. And Cause a take away of "Harry, Mary and Cherry Poppins can be a Master of Flash with God all things are possible"

Content:

* **Blood-Written Nouns:** The symbols should be linked to nouns written in the requester's blood.

* **Crafts of Life:** Three blood-written "crafts of life" (CC and c are mentioned) must be visually represented. (The Glory of God is to conceal a matter, so conceal the flashes in Darkness formed by the light so the experience does not trigger seizures by those with or without epilepsie.)

* **Entertainment/Ministry:** The videos are described as both "entertainment" and "ministry" videos.

* **Audio Synchronization:** The visuals must be synchronized with the music track being played.

Overall Tone:

* The project has a dark, intense, and somewhat unsettling tone. And the exact opposite to at least 50 percent of the judges of all the videos combined.

* There is a strong emphasis on symbolism and hidden meanings.

* The requester expresses a desire to "conceal" their instructions within the hypnotic visuals. (The Instructions are to Obey Israel's official 10 commandments of Moses and Jesus Christ's official definition of the two Greatest commandments and never more than the 15 commandments that include the 10, the 2 and the following 3)

- 1) Love is God so put all of your thoughts into the Mind of God and let God do the thinking for you.
- 2) Love one-another as Yeshua has Loved you
- 3) Therefore you shall be perfect as your Father in heaven is perfect.

Technical Considerations:

* The animated company must be able to create complex visual effects.

* They must be able to integrate live-action elements (blood-written text) with animation.

* They must have a strong understanding of psychedelic visuals and anime aesthetics.

In essence, the requester is seeking a series of visually arresting and symbolically dense music videos that convey a personal and potentially disturbing message.

Keys to perfection

dISTURBING MESSAGE IS "JESUS CHRIST IS THE TRUTH CRUCIFIED, SCIENCE, REALITY, HISTORIC FACT WAS THE TRUTH" WRITTEN IN BLOOD.

“JESUS CHRIST WAS NOT FINISHED DESPITE THEIR PROOF ANTICHRIST’S ARE RIGHT CHRISTIANS ARE WRONGu(LOWER PARABOLA)”

THOSE TWO ARE MY CHOSEN POTENTIALLY DISTURBING MESSAGES.

I am Robert Michael Becker, I am not against partying, even partying, but I am against the knowledge of the experience of LSD being an inundating effect of my mind, because I have the weight of the crown and the lordship of Earth, so please understand fellows, I’d do it if I were able to do it righteously they did prescribe it for marriage counseling, but the colors are so powerful, and consider Shaman’s “Every Substance has its lesson” and “Experience is the only source of knowledge” in addition to “Playa please I’m a wizard I inundated even Inundiate even all 5 options listen myself” and finally, “Do not Do LSD if you pull Nuclear power plant Rods, Fly AirPlanes or anything of responsibility but if you have parents and have a life of 100 percent Fun and 0 percent responsibility, then try to not exist in the judges mind and enjoy existing in your parents mind.”

(I hereby give a crown to Jacob AKA Jake the Pothead, his knowledge was of the truth and improved my fruit so greatly, the Crown’s only effect is to report the truth of both of his contributions to those that judge him, and may every Pothead have dignity like Jake the Pothead.) Played as the first 4 seconds of 15 percent of the videos at the very beginning of the videos.

Keys to success Good Success

All Nouns of Bears are not allowed to be of any knowledge linked to false evidence and all allies must either Lion, Tiger, or Duck false evidence. That is to be a guiding theme of the subliminal messages.

Light Iron not steel is to be of all Metal like Iron, so we Obey the first and greatest commandment, but Loving Light Metal and disliking Stealing. That is to be a guiding Theme of all Subliminal Messages.

“Be me and not me, by being profitable servants understanding, many will claim this, and because of the knowledge of experiencing them, many will be deceived, but be profitable servants and contribute party supplies that convey and minister the knowledge of the Lord.” That message is to be a guiding theme of all subliminal messages.

The Last Subliminal and Dominable message of the Four Subliminal and if need be Dominable even explained messages, is if the Syllables are of a word found in the heavens above, on the Earth Below or in the water beneath the Earth, the syllables are not allowed supercede or otherwise be a higher authority even a precedent of a reality that ruins life for those that have to pick and choose which fruit to consume in their less than 333 years of

living in the flesh, for it is written in the Sacred Text and Arabic is Snake Slithering in Sand Shit AKA Snake'sShitWhileSlitheringScrit, and while priests do not reject knowledge, Inundating the mind with Sandscrit rather than Hebrew's affirmed knowledge, is sin. We are trying to be sainters not sinners.

Please be of Good Success and enjoy your work.
